Hey Mike, Rob Cairns informed me that Ed's pharmacy PCR test result confirmed COVID positive (See attached email with test results)

As you are aware, Linda Leung email indicated he could return to work 5 days after symptoms and if symptoms have improved. Ed will end his isolation on Monday. I have attempted to reach him with negative results.

Thanks Denis. I also sent you message. Ed is NOT COVID positive. I'm guessing you're behind in e-mail.

Thanks for update. The more things change, the more they stay the same.

I informed Supt Bernier of the staffing challenges and the fact that Sgt Yeomans, who was responsible for the conception of the plan, was off on COVID leave. Supt Bernier was further informed that our current staffing level and taskings had reached capacity. Supt Bernier has placed the target hardening plan on hold and on his to be actioned list. Traffic has been released from this duty.

Our priority is the egress concept of operation plan.

Thank you. Any word from Bernier/Drummond on the original ADC Ferguson tasking that I texted you about this morning? (Sgt. Yeomans assignment?)

We have been asked to create a concept of operation plan by end of day today. Sgt Cairns, Froats and Graham have been tasked with this.

Subject: Agreement between Mayor Watson and Freedom Convoy 2022 to exit residential areas / Entente entre le maire Watson et Freedom Convoy 2022 sur leur départ des zones résidentielles

Councillors,

You will find attached correspondence between Mayor Watson and [REDACTED], president of the Freedom Convoy 2022, indicating that organizers of the convoy have agreed to the Mayor's request and conditions for them to exit residential neighbourhoods in the coming days. This agreement was reached through

backchannel negotiations, and should the convoy members live up to their commitments, we believe this progress would provide our most impacted residents with a much-needed break from the noise and exhaust fumes, as well as improve the sense of safety and security of our residents.

We recognize that this is not a long-term solution to the occupation, but it represents a positive first step to lessen the impact of the convoy on the well-being of our residents.

Sincerely,

Mathieu
